Dear Citizens,

Thank you for reading the Fall 2020 edition of the Belvidere Park District Go Guide, your Park district is here to serve you. I hope that you find opportunities in our offerings that meet your recreational needs, and if not, I encourage you to please let us know how we can improve our services to do so. We strive to provide a wide range of programs to meet as many needs as possible.

We continue to evaluate and assess the needs the community has for its park district during these uncertain pandemic times. Covid-19 has presented everyone in every corner of the world with new challenges and we are no exception. The programs and services that we offer have taken careful consideration to provide for your utmost safety while you recreate with us and I think you will see that throughout our program descriptions and in the processes displayed while you are participating with us. Please know that as things change so will we as we strive to provide high level services in offerings needed by our community.

A main topic that the Park District is being faced with in the immediate future is what are the needs of our community for aquatic services and offerings? Currently, underway is a community survey which can be accessed through our website which we hope will allow us to gather as much information as possible about what our community wants. Additionally we have formed an advisory committee that will be working during the 2020 calendar year to formulate community based recommendations to the Board of Commissioners. These recommendations should reflect the collective voice of the community and what direction the district should take in aquatic services for long range planning. I encourage you if you want to have a voice in the discussion to contact the district office or visit our website on current updates to the process and how you may still be involved.

Another major planning initiative facing the district is the future of the Baltic Mill. This iconic and original structure to the Belvidere Township Park District has a high emotional attachment to many residents but low functionality. It is admired and enjoyed by thousands every year but rarely used by the community with the exception of some meeting space and restrooms. The district is launching another community wide survey to gauge the current interest of the Baltic Mill and what possible uses the community could have for the structure if it were repurposed. Again, if you would like your voice to be heard in future planning of this facility please contact our office or check our website for updates.

I look forward to seeing all of you out in the parks this Fall.

Mark Pentecost,
Executive Director
Thank you for keeping yourself and others safe

RESTORE ILLINOIS PHASE 4 SAFETY GUIDELINES
To sustain our progress, Governor Pritzker, the State of Illinois, Illinois Department of Public Health, Centers for Disease Control and Prevention are urging service areas and facilities, such as ours within the Belvidere Park District, to remind users of the safety guidelines and protocols in place to ensure the safety of participants and visitors.

We are taking this call-to-action seriously and encourage all community members to join us in complying with the safety protocols set forth to help stop the spread of COVID-19.

For the safety of all employees, patrons, and vendors, the Belvidere Park District requests that all facility guests and program participants over the age of 2 follow IDPH guidelines and wear face masks when entering buildings and any time when 6-ft of social distancing cannot be maintained.

PARTICIPANT & VISITOR SAFETY REMINDERS
Facemasks are required upon entry to and in all common areas of buildings and at service touchpoints such as customer service desk locations.

A minimum of 6-foot of social distancing is required at all of our indoor and outdoor facilities.

Frequent hand washing and regular use of hand sanitizer are strongly recommended.

Group gatherings of more than 50 persons are to be strictly avoided.

When applicable, please bring your own equipment (towel, mat, water bottle, etc.) for use during your visits.

Hours of operation have been altered for most facilities to accommodate for additional cleaning and sanitizing.

In addition to regular maintenance, the park district has enhanced cleaning and disinfecting procedures for frequently touched objects and surfaces. Hand sanitizing stations are available in and around facilities for your use.

Stay home when you are sick or experiencing symptoms of respiratory illness with fever, cough, and difficulty breathing.

Avoid contact with others that are sick or experiencing COVID-19 like symptoms.

Cover your cough or sneeze with a tissue, then throw the tissue in the trash.

Wash your hands often with soap and warm water for at least 20 seconds, especially after going to the bathroom, before eating, and after blowing your nose, coughing, or sneezing.

If you have any questions regarding Inclusion Services, please contact Rick Wulbecker at 547-5711 x51 or at rickw@belviderepark.org

12 A Great Place for a Party! Reserve a Park District facility. Call 815-547-9557
Belvidere Park District Preschool offers a warm and welcoming place where all children are encouraged to explore and develop at their own pace. We believe that children learn through play with opportunities to explore and experiment every day. Our focus is on the social, emotional, and intellectual growth through problem solving, large and fine motor skills, communication and language, and creativity. Caring teachers will encourage each child to try new things, meet new friends, and promote independence. For more information, contact Sara Schuring, Recreation Supervisor at 815/547-5711 ext 17 (SS)

See the whole Covid-19 guidelines in the preschool handbook.
NEW! Fall Camp

As parents consider instructional options for back to school, we know that parents may also face numerous challenges with home school and virtually based learning, including difficulties monitoring progress with the online virtual environment.

Belvidere Park District is providing a Fall Day Camp at Meehan, Caledonia, Seth Whitman, Lincoln and Washington Academy. This will allow for smaller groups of 12 students with 2 dedicated staff members monitoring their engagement with the online curriculum. This is not a tutoring program but oversight for children working with online curriculum.

Each week counselors will supervise distance learning during school hours as well as providing technological help, keeping students on task and monitoring classwork. Throughout the day, between school work and once school work is complete, kids will get to enjoy free play, arts & crafts, science, S.T.E.M activities, sports and group games with a blend of indoor and outdoor time in a safe and healthy environment.

This program is not designed for students needing specialized instruction or students in high-risk categories. Please consult with your doctor before enrolling in this program if medically vulnerable. Payments are non-refundable.

WHAT TO BRING
• Each day students must bring their own labeled, fully charged laptop (with charging cord), textbooks, headphones (with microphone encouraged), snacks and lunch. Snacks must be prepacked, and lunch must be sent in a disposable container.
• We are a nut free environment.
• Parents are responsible for providing staff an outline of student’s daily class schedule information. Labeled pencil box with markers, crayons, colored pencils, eraser, tape, Elmer’s glue, glue stick, scissors, pens and pencils.
• While the program will have many common classroom supplies, we encourage families to send students with their own supplies to limit sharing.

HEALTH & SAFETY
Health and safety procedures include (and are not limited to):
• No contact drop-off & pick up procedures
• Daily health screenings for participants and staff prior to entry
• Frequent sanitation of high contact surfaces and program equipment
• Masking of staff and participants when 6-foot distance can’t be maintained
• View all safety Standard Operating Procedures on the website.
***See full Covid-19 guidelines on the website.

Your child must be registered by the Wednesday at 11:59 pm before the week attending. Payment and paperwork must be completed before your child can attend. Registration can be done online at belviderepark.org or in person at Rivers Edge Recreation Center.
NEW! Fall Camp

All Day Fall Camp is a cooperative after school recreation program between the Belvidere Park District and School District #100. Caring and trained staff provide a safe, healthy, and fun environment for boys and girls in grades K-8. The goal at Fall Camp is to encourage an environment of respect, community, fun and safety. Activities include group games, homework time and arts and crafts. The program operates until 6 pm on full days of school. (SS)

Fall Camp Covid-19 Guidelines

GENERAL GUIDELINES
1. For safety purposes, there will be a zero-tolerance policy for licking/spitting/biting. Any incident will result in removal from 3rd Base.
2. Staff and participants must always have a face covering with them.
3. While indoors, all staff and participants must wear secure face coverings over their mouth and nose and follow 6-ft distancing as practical.
4. Face coverings will not be required while outdoors unless 6-ft distancing cannot be maintained.
5. Camp will be encouraged to be outdoors as much as possible. (weather permitting).
6. Frequent hand washing will be enforced, and all classes will have a supply of hand sanitizer.
7. We will ask all patrons/participants to use hand sanitizer prior to entering any classroom/bathrooms within the facility.
8. All patrons/participants need to thoroughly wash hands with warm, soapy water for at least 20 seconds prior to exiting the bathrooms.

DISINFECTING/CLEANING PROCEDURES
1. Cleaning and disinfecting of the Camp will be performed according to CDC guidelines.
2. Hand sanitizer and sanitizing stations will be available.
3. Common areas and surfaces will be disinfected frequently.
4. Shared spaces (if applicable) will be disinfected between groups.
5. Shared objects and equipment will be sanitized before and after use
6. Staff will be disinfecting highly touched areas such as doorknobs and sinks
7. Staff will fully sanitize all toys, equipment and materials that are shared or used throughout the day.
8. All our programming will be based on minimal use of toys, equipment and materials.
Fall Camp Covid-19 Guidelines

HEALTH MONITORING

1. Any staff or participant who is exhibiting one or more COVID-19 symptoms will be prohibited from attending Fall Camp. Parents will be notified to pick up their child immediately.
2. Potentially sick children will be isolated in another area away from the whole group, until pickup occurs. Parents will be encouraged to contact the child’s doctor by phone immediately and will advise all family members to stay home until a diagnosis is obtained.
3. If a staff or participant exhibits one or more symptoms, they should inform the Park District and follow these procedures.
   A. If they are getting tested, share the results with the Park District.
      • If the test comes back positive, see #6 below.
      • If the test comes back negative, they may return immediately with a doctor’s note.
   B. If they are not getting tested, they can return when at least 10 days have passed since onset of symptoms, they have been fever-free for at least 72 hours (without the use of fever-reducing medication), respiratory symptoms have improved and all other symptoms have resolved and they provide a “Return to Fall Camp” doctor’s note.
   C. **The Park District is aware minor symptoms may not indicate COVID-19. A doctor’s note clarifying the individual has a history of a symptom or that a symptom is unrelated to COVID-19 may allow the individual to return to the Park District sooner. These situations will be handled on a case-by-case basis with the Park District administration.
4. Any staff or participant who has had close contact (without a mask and less than 6-feet for more than 10 minutes) with any other person who is diagnosed with COVID-19 should quarantine for 10 days after the last/most recent contact with the infectious individual and seek a COVID-19 test at a state or local testing center, healthcare center or other testing locations.
   • Notify Belvidere Park District staff personnel of this positive case.
5. If a participant exhibits signs during time at Fall Camp, staff will remove and isolate them and call a parent/guardian for pick-up. If the parent/guardian is not available, the staff will call the individuals listed on the participant’s pick-up permission form. New this year, the Park District will ask that parents/guardians highlight those individuals who can make it to the Fall Camp site for pick-up within 15 minutes. Please provide us with contact name of someone able to pick up your child within 15 minutes.
6. If a staff or participant is identified as being COVID-19 positive by testing, the following will occur:
   A. Local health officials, staff, and participants will be notified immediately of any possible case of COVID-19 while maintaining confidentiality consistent with privacy laws.
   B. Cleaning and disinfecting will be performed according to CDC guidelines.
   C. All staff and participants should be alert for signs of COVID-19 by watching for symptoms such as fever, cough, or shortness of breath and by taking temperature if symptoms develop.
7. A staff or participant who has been confirmed with COVID-19, may not return until:
   • They have isolated at home for a minimum of 10 days after symptom onset and all Fall Camp participants at that site will be asked to self-quarantine per CDC guidelines.
   • They have been feverless and feeling well (without fever-reducing medication) for at least 72 hours.
   • OR they have one negative COVID-19 tests in a row.
   • In all cases, the Park District will require a doctor’s note to return to the Fall Camp program.

WHAT TO BRING TO FALL CAMP EACH DAY?
Face Covering • Water Bottle • Hand Sanitizer • Pencil Box with personal items • Lunch in a disposable bag • Computer

Please note: Covid-19 guidelines subject to change according to Local, State or Federal mandates.

Fees: $25 day per Child

Have a question? Call us. 815-547-5711
Our goal for the School’s Out Camp is for children to have a fun and safe place to go when School District #100 has school improvement days. This program is open to all elementary age students. Breakfast and an afternoon snack will be provided. Activities will include arts and crafts, games, rock climbing, outdoor activities, and more. There will be no field trip on school improvement days. SHOTOKAN KARATE CLUB  Adult/Parent/Child

Illinois Shotokan Karate Club is Chicagoland’s premier karate school taught under the instruction of John DiPasquale, a four-time National Champion, US National Coach and President of the US National Karate Federation.

ISKC’s Adult Karate classes release tension, develop total body fitness and build stamina and overall productivity! In addition to self-defense skills, karate increases flexibility, cardiovascular endurance and muscle tone, while improving core strength.

Adult/Parent/Child classes are a great way to spend quality time with your child, while conditioning muscles, developing coordination and improving cardiovascular fitness.

Uniforms and Belt-Testing are options available through the ISKC instructor. Please note that the Youth, Parent/Child and Adult classes may train together. Beginner students will not be permitted to register into the current session after the second class has met. Registration for continuers through advanced students will be accepted after the start date, but the full class fee is required. LITTLE NINJAS TAE KWON DO

This program is specifically designed to help teach 4 to 11 year olds the important qualities of respect, self-control and confidence, while building motor skills and coordination. In addition, children will learn important “stranger danger” and bully drills. The first years are the most important, so start early and give your child the important skills to succeed throughout their lives. The Belvidere Park District does not require your child to purchase any additional equipment to participate. However, if you would like to move up in the rank/belt system, additional equipment, uniform and testing fees may apply via your instructor.

Location: Rivers Edge Recreation Center
Volunteer Instructor: Master Sung Sop An (8th Degree Black Belt) and his black belt staff
Min/Max: 9/20

HATHA YOGA

Hatha Yoga is an ancient practice of physical well-being which promotes optimum health. Through the use of gentle stretching and deep breathing techniques, yoga tones muscles, increases strength and flexibility, reduces stress, improves concentration, and results in a sense of balance and peace. The atmosphere of the class is quiet and soothing. Students are encouraged to work at their own pace. Wear loose fitting clothing and bring a blanket or mat. (PK) *No class on 11/26

SKATING LESSONS

Tot Beginner Snowplow Sam – Discover, Learn and Play

The Snowplow Sam levels are introductory classes divided into four progressive levels allowing children with no prior skating experience to build confidence while learning the basic skills of skating. These classes are designed to help children six and younger develop the ABCs of movement – Agility, Balance, Coordination and speed. The ABCs are essential for developing fundamental movement skills and physical literacy. These 3-week lessons will be taught in a safe and positive environment, incorporating fun and games making class time an enjoyable experience for all. Off-ice orientation prior to the first skating class: Equipment check – Proper fit and lacing of skates and appropriate attire. Practice falling and recovery, marching in place, dips and one-foot balances. Skates provided. (SM)

Youth Beginner FUNdamentals Basic Skills

These 3-week lessons provide the best foundation for the FUNdamentals of ice skating. Skaters will be introduced to forward and backward skating, stops, edges, crossovers, and turns. Upon completion of the Basic Skills 1-6 levels, skaters will be able to confidently advance to more specialized areas of skating. All classes will be well-structured with the focus on proper skill development taught in a positive, FUN, and social environment. Skaters will progress at their own rate and advance after skill mastery is demonstrated. These introductory levels allow new skaters with no prior skating experience to build confidence while learning to skate. They also develop all of the fundamental skating skills on the ice. Focus is on learning the ABCs of basic athleticism: agility, balance, coordination and speed. Off-ice orientation: Equipment check - proper fit and lacing of skates and appropriate attire. Practice falling and recovery, marching in place, dips and one-foot balances in skates. Skates provided. (SM)

NRPA PARK PULSE
Vacation Close to Home with Parks and Recreation

More than half (54%) of U.S. adults are likely to vacation close to home this summer, given the global COVID-19 pandemic.

This is especially true among Millennials (61%) and parents (66%) who say they are more likely to pick a vacation spot close to home.

Local park and recreation professionals and their agencies provide a variety of safe and affordable nearby activities for everyone — including:

- Walking/
  Hiking/Biking
- Swimming
- Picnicking
- Taking a
  Virtual Class
- Gardening
- Fishing

Each month, through a poll of 1,000 U.S. residents focused on park and recreation issues, NRPA Park Pulse helps tell the park and recreation story. Questions span from the serious to the more lighthearted. The survey was conducted by Wakefield Research (www.wakefieldresearch.com).

ROCK’N’KIDS Is ROCKIN’ AT HOME

Sing, dance, play and learn YOUR way in this virtual music and movement class! Registered participants will receive an email from Rock ‘n’ Kids on Mondays at 8 a.m. with that week’s pre-recorded, private, 30-minute virtual class, allowing families to participate on their own time. The session’s musical activities will be based on the theme of “A Whole New World!” Each week we will pretend to ride on our magic carpets to explore a new place! A pirate ship? The jungle? Outerspace? It will be a musical adventure! Activities will include opening songs, weekly theme introduction, 5-6 additional music activities, and closing songs. Along with class content supplemental activities will be included to enhance your child’s learning. Class activities will involve rhythm, fine and gross motor, imaginative play, sensory integration and listening skills. Rock ‘n’ Kids has been enjoying children’s wiggles and giggles for 25 years! You won’t want to miss this chance for safe, musical fun and learning with your child! (SS)

PRESCHOOL DRAWING WITH YOUNG REMBRANDTS

Young Rembrandts combines our love of art and children to teach, empower and build confidence that goes beyond art. We teach children how to draw, using our unique and proven method, while instilling a love of art and lifelong skills that lead to overall personal success. Our method helps children improve fine motor skills, patience, focus and discipline, as well as attention to detail, time on task, handwriting readiness and more. Students learn about art in a fun, encouraging and nurturing environment, as they prepare for future success in Kindergarten and beyond. Qualified instructors will encourage students in a non-competitive setting. There are no right or wrong answers in art! We honor them for the process, as well as the product. Join us and discover The Power of Drawing! **No class on 11/26 (SS)**

### OLBRICH BOTANICAL GARDENS TRIP

All aboard for Olbrich’s Holiday Express to beautiful Madison, WI. Large-scale model trains wind through a holiday scene overflowing with hundreds of poinsettias and fresh evergreens! During the show, members of the Wisconsin Garden Railway Society come from all over the state to show off their large-scale model trains. You may see a bullet train, steam train, Santa train, circus train, or freight train, depending on the day. You will be given time to explore the Bolz Conservatory. Enjoy a tropical paradise year-round in Olbrich’s Bolz Conservatory, a glass pyramid filled with exotic plants, bright flowers, a rushing waterfall, fragrant orchids and free-flying birds. The tropical Bolz Conservatory houses more than 650 plants representing more than 80 families and more than 475 different species and cultivars. These plants are native to tropical and sub-tropical regions throughout the world. The glass pyramid measures 100 feet by 100 feet, rising to 50 feet tall in the center. The temperature in the Conservatory is maintained between 65-80 degrees Fahrenheit (between 18 and 26 degrees Celsius). The relative humidity is kept above 60-percent year-round.

### FEEDING BIRDS IN WINTER

A Guide to Enjoying Our Feathered Friends presentation by Severson Nature Center. Bird feeding and bird watching are popular activities in the United States. Unlike many hobbies, these can be done both inexpensively or can run into thousands of dollars, depending on one's pocketbook and obsession level! In this presentation, we share some tips that make both bird feeding and bird watching fun and accessible to everyone. Participants learn which of our local birds are most likely to visit feeders, which foods to offer, and how important native plants are to bird survival. (PK)

GUITAR/UKULELE LESSONS

Do you love music and dream of being a rock star? Are you wondering if playing an instrument is something you can do? If so, it’s never too late to do something you’ve always wanted!

Be it an absolute beginner or a seasoned shredder, and everything in between, for ages 6 and up.

Private acoustic, electric, bass guitar or ukulele lessons are being offered for all levels. Each session includes six, 30-minute private lessons. You must provide your own guitar/ukulele.

An experienced Chicagoland performer, and local private instructor for over 10 years, Jason will have you understanding the guitar and playing your favorites in no time. Each student’s interest and ability level will be considered and an individualized plan of study will be determined. (SS)

**CLUB HORIZON - Fall Day Camp**

Camp Horizon is your fall option for your child to be in a safe and caring environment, while still needing a place to complete instruction throughout the school-year. Your children will be provided a table and access to wireless to complete schoolwork, and a clean environment with small ratios. During downtime, campers will enjoy stretch breaks, games, crafts, science experiments, and other Camp Horizon hallmarks, with special educational focused visitors and virtual field trips.

Counselors will help your child get their computer turned on and may be able to help with simple computer troubleshooting. This program does not take the place of school, and counselors do not function as teachers and are not responsible for teaching, tutoring, or other school inclined tasks.

Each day students must bring their own laptop, textbooks, headphones (with microphone encouraged), morning snacks and a completely disposable lunch. An afternoon snack will be provided.

Parents are responsible for providing staff an outline of student’s daily class schedule information, and any school supplies their child would be required to provide, which may include labeled pencil box with markers, crayons, colored pencils, eraser, tape, Elmer’s glue, glue stick, scissors, pens and pencils.

**Camp Horizon Fall Camp will be held the week of 8/24 and 8/31 and then will not be held on the following District #100 no school dates: 9/7, 11/3, 11/26-11/27, 12/23 – 1/1.**

**NOTE:** Due to COVID-19 Guidelines and restraints, Camp Horizon Fall Camp program will include no contact drop-off and pick-up, daily health screenings for participants and staff prior to entry, frequent sanitization of high touch areas and equipment, increased hand-washing and hand sanitizing protocol, and daily deep cleaning. Any participant for 2020 must also meet the following requirements:

- **Participant must be able to wear a mask and keep it on for the duration of camp. While the program will be outside when possible, participants will be indoors during a majority of school hours as well as during weather warranting the need to be indoors. (When outdoors, participants will be able to remove their mask if a 6-foot distance can be maintained.)**
- **Participant must be able to social distance 6 feet.**
- **Participant must be able to follow directions with minimal intervention by staff.**

ADULT SPECIAL REC IN A BOX via ZOOM

Ready for special recreation with Belvidere Park District Staff, out of the comfort of your own home? Whether you have concerns requiring extra social distancing, or if you want extra activities to do from home, we have an option for you!

The Adult Special Recreation in a Box are programs designed as kits for parents to pick up from the Special Recreation Facility on Friday of each week. Kits will include all materials needed to complete camp type activities such as: games, crafts, cooking, fitness, and science experiments. The kits will also include a weekly invitation to participate in live Zoom sessions designed to allow an instructor who will lead campers through activities from the box. Additionally, each session will be recorded in the event you are not able to get online during the live broadcast or would like to revisit the session. Recordings will be available for one week following it’s live broadcast. These program kits are open to all adults 18 and older and with a focus on social and leisure life skills through camp-like activities. (SC)

NOTE: These programs will be subject to our program guidelines and online bullying or other behavioral issues will not be tolerated. Depending on individual participant ability, an adult may need to be present during the session to assist the participant (we do not provide the assistant).

Behavior Management Policy
All participants are expected to exhibit appropriate behavior at all times. The following guidelines have been developed to help make children’s programs safe and enjoyable for all participants. Additional rules may be developed for specific programs as deemed necessary by staff. The Park District insists that all participants comply with a basic behavior code. All participants shall:
- Show respect to all participants, staff, and volunteers. Participants should follow program rules and take direction from staff.
- Refrain from using abusive or foul language.
- Refrain from threatening or causing bodily harm to self or other participants, or staff.
- Show respect for equipment, supplies and facilities.
- Not possess any weapons.
A positive approach will be used regarding discipline. Staff will periodically review rules with participants during the program session. If inappropriate behavior occurs, a prompt resolution will be sought specific to each individual’s situation. The Park District reserves the right to dismiss a participant whose behavior endangers his or her own safety or the safety of others. Upon registration or entry into the program, the parent/guardian should be solicited for any information regarding special accommodations needed for the participant. If any of these special accommodations are behavior related, the behavior medication programs in place at school or home. Attempts should be made to utilize these in the program. Also, Special Recreation should be contacted for guidance. Documentation should be maintained regarding any problem behaviors, special accommodations, and behavior modification programs.

Cell Phone Use
The use of cell phones in Park District restrooms or locker rooms is strictly prohibited.

Parks and Conservation Foundation
Do you find yourself looking for a reputable charity to donate money? Are you looking for a class that requires parent (adult) and child participation if one of the participants resides in the Belvidere Park District boundaries, the resident fee will be charged.

The Belvidere Park District boundaries are:
North Boundary: South side of Orth Road
South Boundary: U.S. 20 by-pass
West Boundary: Winnebago/Boone County line
East Boundary: Poplar Grove Rd
*Also included in the district boundaries are Farmington Fields, Wycliffe, Aderdeen Knolls and Oakbrook Woods subdivisions.

Disc Golf Course
Belvidere’s first disc golf course is located in Belvidere Park. This 9-hole course is nestled throughout the park among mature trees and is fun for beginners and a challenge for experts. New Program Refund Policy And Procedure
A new program refund policy and procedure has been approved by the Board in order to establish more consistent guidelines for the program refund process. Participants are eligible for program refunds they have registered for. The following Park Board approved guidelines apply:

Policy
Participants are eligible for program refunds for programs they have registered for. The following guidelines apply:
1. It is the responsibility of the participant or participant’s parent/guardian to submit the appropriate completed paperwork for all refunds in the appropriate time-frame in person to the Park District.
2. All requests must be submitted in writing. Forms are available at the Park District.
3. No refunds or credits will be granted for missed days/classes, personal vacation time off or program suspensions due to behavior.
4. Refunds requested for a program prior to the start of the first class will be accepted as long as the Belvidere Park District has not incurred any costs due to purchase of tickets, rental fees, deposits, program supplies, etc.
5. Refund requests after the program begins but prior to the 2nd class, will be assessed a prorated fee based upon the per class cost.
6. No refunds will be granted after the 2nd class with the exception of a written medical excuse why participant is physically unable to attend class with the fee based on the prorated cost per class. If participant is moving, with the fee based on the prorated cost per class.
7. All participants will be contacted of a program cancellation and asked if they would prefer a refund or household credit. In the event of no response, a refund will be given.
8. All program fees will be refunded by original payment. Cash payments will be refunded by check.
9. The Belvidere Park District will attempt to re-schedule activity if possible prior to issuing a refund or household credit.
10. Exceptions:
   • No refunds will be granted for trips unless the trip is cancelled by the Park District or a replacement is found to take the trip.
   • No refunds will be granted for team league fees unless the league is cancelled by the Park District.
   • No refunds will be granted without a 48-hour notice written refund request for one-day programs. -Deposits are non-refundable.

The Belvidere Park District would like to take this opportunity to inform patrons of a change that will occur with regard to the dedication bench program in Belvidere Park. The vast majority of wooden benches in the park have exceeded their twenty year life expectancy. The district will be in contact with those purchasers of benches that exceed the 20 year life expectancy in the next 3 months via letter or website posting of this information, allowing them the opportunity to purchase a new bench to replace their existing bench with the new style of bench, which has been installed in front of Rivers Edge. When a wooden bench reaches the 20 year mark, that original purchaser will be notified and given the same opportunity.

We will allow the original purchaser, the opportunity to purchase the new style bench at a cost of $1,700.00, and take their existing bench currently installed in the park if they so desire. If one chooses not to purchase a new bench, the bench will be removed and that location would be forfeited, and would then become available to the public to purchase a new bench at that location.

The District has determined that some locations may be omitted due to flooding and overcrowding of benches in certain locations. If you choose to obtain your current bench please contact Todd Bex, Superintendent of Parks, at 815-547-5711 Ext. 12 to make arrangements for park staff to disassemble and load your bench into your appropriate.

The Belvidere Park District has created an opportunity for its citizens to honor and recognize family members and friends through our memorial bench program at Prairie Fields and Doty Park. The benches are available for purchase and can be placed at various approved locations within Prairie Fields and Doty Park. For complete information on this program and available locations, please pick up a packet at either the Administration Building on West Lincoln Avenue or Rivers Edge on West Locust.
